

The Inspiring Teacher Programme (ITP)

This national programme, delivered locally, is for teachers who want to advance, develop and improve their teaching practice and deliver consistently good lessons, to reach the next teaching level.

The course enables teachers to:

- provide their students with the best possible learning experience,

- improve standards in their classrooms and schools,
- increase their job satisfaction and quality of experience,
- work more effectively as active members of their school team.

Course dates:

24 November 2017
27 November 2017
8 December 2017
13 December 2017
21 December 2017
10 January 2018

All these sessions are full days at Silverdale School.

Delivered by:

Middle and senior leaders, who are also practising and reflective teachers, with nationally recognised accreditation to deliver the programmes.

Cost: £675 (discount available for members of the Sheffield Teaching School Alliance).

Possible progression:

ITP leads naturally to OTP after a suitable period of time. OTP leads to further coaching qualifications and to Outstanding Facilitators Programme. OTP will help secure outstanding teaching and learning and therefore prepares participants for leadership of teaching and learning.

The Outstanding Teacher Programme (OTP)

This national programme, delivered locally, gives good and outstanding teachers a set of high level skills and strategies to enable them to become consistently and sustainably outstanding. It is suitable for those wishing to develop coaching skills.

The course provides teachers with:

- the ability to demonstrate higher level understanding of teaching and improve learning for their pupils,

- the ability to coach colleagues and pupils in their own school and in other schools to raise performance levels,
- the ability to create a proactive school culture where the quality of teaching and learning is openly observed, discussed, challenged and enhanced,
- increased professional satisfaction and create opportunities for further leadership and career progression.
